## 2022 PowerHousing Australia Member Exchange Conference

### PowerHousing CHPs: Connecting, Collaborating and Constructing Healthy Communities

PowerHousing Australia welcomes all our members, affiliates, and invited guests to the 2022 Member Exchange Conference.

The 2022 PowerHousing Member Exchange Conference will take place on 21-23 November in Canberra across three locations: QT Canberra, The National Arboretum, and Australian Parliament House on Capital Hill.

Our theme for 2022 is Connecting, Collaborating and Constructing Healthy Communities and will host international and local experts, and thought leaders to inform and share best practice on social and affordable housing.

The Member Exchange Conference brings together key thought leaders and decision makers on affordable housing from throughout the country. Up to 400 invited guests attend our conference to shape the future of affordable housing delivery and social outcomes in Australia.

The conference program and tradeshow will be taking place at QT Canberra, along with our Roundtable's and Community of Practice Committee Meetings. The PowerHousing Academy Scholarships and National Awards dinner will be located at the National Arboretum and once again our Welcome Reception will be amongst the height of activity at Australian Parliament House.

The Member Exchange conference provides excellent opportunities for CHPs, Affiliate, thought leaders and decision makers from our sector, industry, and government to exchange international, national and local best practice in delivering and maintaining affordable housing.

For the first time our 2022 program will welcome Executive Assistants to have their own conference stream to engage in developing a deeper understanding of the CHP industry and develop best practice for themselves and their organisations.

#### Keynote International speakers include:

1. Geeta Nanda, OBE, Chief Executive, Metropolitan Thames Valley - UK
2. Linda Mandolini, CEO, Eden Housing - USA
3. Alex Gold, Head of ESG/CEO, BWD - USA

I look forward to welcoming you to Canberra in November 2022.

Regards  
Nicholas Proud  
CEO PowerHousing Australia

## PowerHousing Academy Scholarships and National Awards

The 2022 PowerHousing Academy Scholarships and National Awards are designed to showcase the individuals and teams amongst our membership who have gone above and beyond to support their colleagues and tenants.

PowerHousing will be celebrating the staff in our organisations who have brought people together, supported each other and have done whatever they can to enhance the lives of their colleagues, tenants and the organisation – no matter how big or small.

The 2022 PowerHousing Academy Scholarships and National Awards provides an opportunity for members to showcase their staff and their achievements. The awards acknowledge our sector and the community at large, as well as highlighting the difference that PowerHousing members make to the lives of tenants, local communities and our nation.

Award winners will be announced at the PowerHousing Academy Scholarships and National Awards Ceremony on 22 November 2022 at The National Arboretum, Canberra. Member organisations are welcome to purchase Awards Dinner tickets for nominated individuals or program representatives to attend the Awards ceremony and function if they do not plan to attend the Exchange.
